SOUTH BISBEE WINS  
IN GREAT CONTEST  
FROM BISBEE ICE CO.

Automatic Court Scene of Best  
Game of Season; Jeffries of  
Winners Is High Man for Win-  
ning Combination.

South Bisbee defeated the Bisbee  
Ice Co., by a score of 126 to 116, last  
evening, before a large and extremely  
enthusiastic crowd at the Automatic  
Court. The game was the best yet  
staged at the popular Brewery Gulch  
resort and is undoubtedly a fore-  
runner of many equally interesting con-  
tests which may be anticipated for the  
coming fall and winter months, when,  
no doubt, many of the District's best  
stickers will work out in lieu of the  
opportunity to perform in the open.  
For the winners, last night, the star  
performer was Jeffries who donned  
the pelt for a grand total of 48. The  
next high man on the victorious team  
was Krueger who sent the ball against  
the field for a final score of 33. For  
the losing combination, G. Caldwell  
showed the stellar form with a total of  
35, Carmichael being a close second  
with 25.

The game was fast and furious all  
the way and, at times, the pandemon-  
ium raised by the spectators remind-  
ed one of a scene at a championship  
college football game. Certainly it  
may be truly said that no sport has  
taken such a hold on the followers of  
indoor athletics as has this popu-  
lar pastime conducted at the Auto-  
matic Baseball Court under the direc-  
tion of Manager Whiteside, whose well  
known prowess as a diamond performer  
and popularity with the throngs of  
baseball fans, doubtless, accounts for  
a reasonable portion of his managerial  
success.

Tonight the game will be between a  
combine representing the Grays and  
Boaters baseball teams. Contest will  
start at 8 o'clock and a cordial invita-  
tion is extended all enthusiasts.

Detailed scores: South Bisbee—Wil-  
lie 21, Sims 11, Luke 13, Jeffries 48,  
Krueger 35; total, 126. Bisbee Ice Co.—  
H. Caldwell 37, G. Caldwell 35,  
Thomas 13, Gregory 13, Carmichael  
20; total, 116.

PHELPS DODGE BOYS  
LOSE CLOSE GAME  
TO 'Y' PERFORMERS

Playground Ball Race Becomes  
Exceedingly Exciting; Rivals  
Planning Downfall of Churn  
Drillers.

The Y. M. C. A. players were win-  
ners, last night, over the Phelps  
Dodge Swatters by a score of 7 to 6.  
The P. D. bunch made 6 runs, 7 hits  
and 2 errors. The "Y" scored 7 runs,  
8 hits and 3 errors. Every inning was  
extremely closely contested. This vic-  
tory for the "Y" forces them to play  
the Sacramento Savages to determine  
who will be the high team for this  
week. The winners for the Saturday  
game will in turn play the Churn  
Drillers Special, Monday at 2:30 p. m.,  
the game being postponed from Sun-  
day until Monday because the miles  
and the churn drills war Sunday. The  
championship of the playground team  
for this week lays between the Sa-  
cramento Savages, the Churn Drillers  
and the Y. M. C. A. An extremely hot  
game is expected Monday, for the  
Churn Drillers have been the cham-  
pions over three weeks and these other  
teams are determined to trim them  
and take their championship.

P. D. line-up—Jackson, Williams,  
P. Kennedy, J. Hughes, B. T.  
Hughes, J. B. Cochran, J. Flint, R. Seat,  
H. Brady, C. Watkins, L. Y. M. C. A.  
line-up—Carter, C. R. Robotham, N.  
Robotham, B. Potter, B. Stupp, B.  
Bowen, R. Real, L. Mary, R. Ruff,  
C. Clifton. Today's game will be  
called at 5:30 p. m.

CHILDREN'S HOME  
AT TUCSON WILL BE  
OBJECT OF BENEFIT

Tag Day Will Be Celebrated in  
Bisbee on Labor Day; Pro-  
ceeds Will Benefit Arizona  
Children's Home.

Tag Day for the benefit of the Ariz-  
ona Children's Home of Tucson will  
be celebrated Labor Day in Bisbee.  
All persons who are interested in the  
welfare of children will be given the  
opportunity to practically demonstrate  
their willingness to extend aid to the  
unfortunate little ones to whom this  
institution extends the helping hand.  
Girls and women will hand the tags  
to pedestrians and it is hoped that a  
very tangible demonstration of inter-  
est will be in evidence.

At the present time the Tucson in-  
stitution is caring for 16 little ones,  
eight of whom are from Bisbee. These  
little ones are cared for according to  
the most approved modern methods  
and there is every hope that they will  
develop into some of the most admi-  
rable women, capable and willing to  
devote their abilities to the welfare  
of the community.

Bisbee citizens will have the chance  
to show that they are ready and an-  
xious to help when they have the op-  
portunity. That they will rise to the  
occasion goes without saying.

That Are Dependable and Accurate

YOU selected your pistol or revolver because you expected  
it to give you results.

Now, results—whether in casual shooting—or in serious work at the target—  
depend more than you might think on the wise choice of ammunition.  
It is worth noting that the biggest men in the Pistol and Revolver  
classes are shooting Remington-UMC Cartridges—made for every standard  
make of pistol and revolver used anywhere in the world.

OVERLANDS ARRIVE  
BY CARLOAD HERE

With the arrival of a car load of  
Overlands, consisting of touring cars  
and roadsters, at the Brophy Garage  
& Supply Co., the indications are giv-  
ing out that the best year in the War-  
ren District's automobile sales history  
is extant.  
The roadster, particularly, is at-  
tracting no end of attention from the  
auto critics in the District. It is  
trim in its lines, has the power of  
the best of Overlands, has all of the  
necessary adjuncts of the most mod-  
ern machines, and sells well where-  
ever it is exhibited.

In the next few days the Brophy  
company will have one of the Over-  
land Knights in a shipment of ma-  
chines. This is the machine that has  
practically revolutionized the busi-  
ness in the country. There has only  
been a limited number of Knights put  
out this year and the demand for  
them has been extraordinary.

## Hot Water

## WHY CARRY IT?

Why not draw your hot water sup-  
ply from the faucet direct, just as  
you do the cold?

A GAS WATER HEATER  
MAKES THIS POSSIBLE

Gas water heaters are made in two  
styles; one which automatically  
turns on the gas and lights it, the  
other which must be hand lighted.  
The latter works on the same prin-  
ciple as the water back in a coal  
range. Both are connected in our  
stock room and can be shown in  
operation.
